PROGRAMME.

THE FAIR WILL BE FORMALLY OPENED ON

TUESDAY, OCTOBER 17, 1899.

AT 12 O'CLOCK NOON, BY

His Excellency DANIEL L. RUSSELL,

GOVERNOR OF NORTH CAROLINA,

ASSISTED BY THE PRESIDENT AND EX-PRESIDENTS OF THE SOCIETY.

SUPERVISORS WILL RECEIVE THE BOOKS FOR THEIR RESPECTIVE AWARDING JUDGES AT TEN
O'CLOCK WEDNESDAY MORNING.

NOTICE TO EXHIBITORS.

Exhibitors must have their respective exhibits in place and ready for the Committees when they call to make their examinations.

Read carefully this rule, touching all exhibits: "Exhibits not in place, and fully installed by 12 o'clock Tuesday, October 17, will receive no attention whatever from the Awarding Committees or Experts."

Exhibitors must make themselves acquainted with the prize lists and regulations, and be sure in what classes and departments their entries belong.

The original entry card must in all cases be attached to the exhibit, except in cases of animals, when the card may be placed conspicuously upon the stall or pen.

No article will be entered in more than one Department, except where otherwise provided. This rule applies to all exhibits, except those in Speed Department.

Exhibitors will not be allowed to sell goods during the Fair (though they may receive and book orders), nor will they be permitted to call attention to their wares in any noisy or disorderly manner.

Exhibits that have been erroneously entered may be transferred by applying to the Superintendent of Entries, before 12 o'clock noon, the second day of the Fair. If, however, such classes have been judged, they shall not be reopened.

Persons entering live stock to be exhibited in the ring or on the track will be expected to have their stock ready when ordered, and if not brought in promptly may be excluded from examination.

No animal or article will be allowed to leave the show grounds until after five o'clock on Friday, this being a condition of the entry *Transgressions against this rule will incur forfeiture of any premiums awarded.*

The Society makes no charges for space, and, except in special instances, exacts no entrance fees; but ten per cent of all premiums aggregating five dollars or over awarded by the Society will be retained as entrance fees, except where entrance fees are specifically charged. This is a liberal policy towards exhibitors, as no one will be required to pay unless they are awarded a premium.

INTRODUCTION.

You will be cordially welcomed at the Thirty-ninth Annual State Fair, held by the North Carolina Agricultural Society.

Through the valued assistance of the State Board of Agriculture, Col. Jno. S. Cunningham, President, the cash premiums have been handsomely increased, especially for agricultural products and live stock, and the accommodations for poultry improved. Regular trains to the grounds from Union depot, and electric cars on five-minute schedule. Streets and roads are well macadamized leading to the grounds, and buildings, track, etc., prepared for one of the most extensive exhibits ever seen in the State.

PRIVATE SALES.

Exhibitors will be permitted to mark "For Sale" any article exhibited, after the Judges have made their awards; but if any article is so marked *before* the awards have been made, it will be ruled out and not permitted to compete for premiums. And no article for which a premium has been awarded will be allowed to be removed until the close of the Fair, without special permission of the Superintendent in charge. A violation of this rule will justify a forfeiture of premium.

RAILROAD RATES, ETC.

The railroads have promised to give us the very lowest rates possible, and we are sure that they will be so reasonable that no one can object.

Full freight rates will be charged on all exhibits from shipping point to Raleigh. Exhibits will be returned to shipping point free of charge when accompanied by a certificate from the Secretary to the effect that they were properly entered and exhibited at the Fair. This provision does not apply to racing stock.

RACES.

The large and increasing interest in the development of thoroughbred harness and trotting horses in the State now insures the possibility of having a large field of fine and speedy horses. Great satisfaction was given in this department last year, and no effort will be spared to make the programme of 1899 still more effective.

Classes, programmes and purses will be furnished on application. The track has been in use more than twenty-five years, and is one of the best in the country. Address

JOSEPH E. POGUE.
Secretary.

SPECIAL.

At a meeting of the Executive Committee of the North Carolina Agricultural Society, held in the City of Raleigh, July 19, 1898, the following resolutions were adopted, and the Secretary was directed to have the same published for 1898, and to give them special prominence:

I. The Executive Committee has authorized the letting of only such privileges as are required to satisfy the necessary wants of the people, or that may add to their comfort, convenience and pleasure, but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be sold, or in any manner tolerated on the grounds or in the buildings, nor will any privilege be sold or permitted, where the business is conducted in any other than a legitimate, decent manner.

II. All dining halls, lunch booths, refreshment pavilions and other stands must be kept neat and tasty in appearance, and supplied with wholesome food and pure, honest goods, for sale to the people at reasonable prices. The

Executive Committee will carefully guard against extortion in any form being practiced on the patrons of the Fair, and any such attempts will forfeit to privilege holders all rights on the grounds.

III. The Executive Committee will not sell or grant to any person or persons the privilege of selling, dealing or bartering in spirituous, vinous or malt liquors on the Fair Grounds or in any of the buildings or booths during the holding of the annual Fair.

IV. No privilege shall be sold, granted, or in any manner tolerated for the operation or exhibition on the grounds or in any of the halls, buildings or booths, of any gambling device, lottery or games of chance of any character whatever.

Renters will note that any business, trade or occupation that is in violation of the above will be rigidly excluded, and violation after admission will be punished by *forfeiture of privilege and ejection from grounds*.

Renters who pay as much as ten dollars for their privilege will be given one admission ticket, good for the week, and for each additional charge of ten dollars, or fraction not less than five dollars, one extra ticket, and *no more*.

The above was re-adopted August 23, 1899.

REGULATIONS.

1. Until within a few years the management has confined competition to productions of our own State. The bars were then thrown down, and competition was opened to the world and friendly challenge extended, except as instances specified.

2. The gates will be open for the admission of visitors at 8 o'clock a. m. each day and close at 6 p. m.

3. All employees of the Fair must be promptly on hand at their posts at 8 o'clock a. m. each day of the Fair, and remain on duty till 6 o'clock p. m. (except night force).

4. Every reasonable effort will be made by the officers of the Society and those in charge of the grounds to protect the property on exhibition from loss or damage, but the Society will not hold itself responsible should loss or damage occur.

5. Drunkenness, quarreling or the use of profane or obscene language will not be allowed on the grounds; nor the presence of fireworks, petroleum, gunpowder or any other dangerous or objectionable material whatever.

6. Persons desiring space for the exhibition of articles or machinery not entered for competition must apply to the Secretary as early as possible, giving the name of the exhibitor and article, place of residence and the amount of space required.

7. Exhibitors of horses, cattle, sheep and swine will be required to display over each stall or pen occupied by their stock a placard containing the name, age and breed of animal occupying the stall or pen, and also the name and address of the owner. The placard will be furnished and filled up at the Secretary's office.

8. All officers and employees are requested to wear badges during the Fair, while on the grounds.

9. No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds, except by a special license obtained from the Secretary of the Society.

10. The distribution of handbills or other advertisements is strictly prohibited about the grounds or buildings, except under direction of the Superintendent.

11. No article or animal will be entitled to space until the proper entry has been made. After an article or animal has been entered for a premium, it can not be removed until the close of the Fair without permission from the Secretary or the Supervisor in charge of the department; and if any person removes an article or an animal without such permission he forfeits all claims to a premium, even if the same shall have been awarded.

12. Each department will be under the special charge of its Director. He will oversee the arrangement of all articles offered for exhibition in his department, and have control of the space assigned to it. He will be assisted in his duties by a special superintendent, who will receive all exhibits, take personal charge of them, countersign the exhibitor's coupons, and deliver the articles on the surrender of the countersigned coupons at the close of the Fair.

13. The exhibition of articles not mentioned in the Premium List is solicited. These will be assigned to proper departments, displayed to visitors, and reported on by the judges.

14. The Executive Committee reserves the right to withhold premiums in any case in which it shall appear to them that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

15. There will be a free Bureau of Information at the main office, where all questions will be cheerfully answered.

16. Exhibitors must provide, at their own cost, all show-cases, shelvings, counters, fittings, etc., which they may require.

17. Exhibitors' business cards, pamphlets, circulars, samples, etc., may be placed, and be distributed from within the space allotted them.

ADMISSION.

18. The gates will be open at 8 o'clock a. m. each day.

19. *Special Rates will be given schools, factories, excursions and organized bodies.*

20. Life members and members of the Executive Committee, when reporting to the Secretary, will receive admission tickets.

21. Laborers employed upon the grounds will apply to the Secretary each evening for admission tickets to the grounds next morning.

22. No person will be permitted to remain on the grounds over night, except those holding permits, which must be secured from the Secretary.

23. **SPECIAL RULE.**—The Society makes no charges for space, and, except in special instances, exacts no entrance fees; but ten per cent of all premiums aggregating five dollars or over awarded by the Society will be retained as entrance fees, except where entrance fees are specifically charged. This is a liberal policy towards exhibitors, as no one will be required to pay unless they are awarded a premium.

ENTRIES.

24. The entry-books will be open at the office of the Secretary of the Society, in the City of Raleigh, from September 15th to and including the Friday next before Fair Week, and at the Secretary's office at the Fair Grounds on Saturday and until 12 o'clock m. on Tuesday, when all entries will close. Much trouble and annoyance may be avoided by observing this regulation.

25. Entries may be made in person or by person. In making entries it will be necessary to give the name of the article, the name and postoffice address of the exhibitor and the premium number under which the article entered is to compete. This is especially necessary, in order that the article may be properly entered.

26. All articles which are the product of the soil must be entered in the name of the producer. Those showing handiwork or skill must be entered in the name of the one whose skill they exhibit. Such may be individuals, firms or factories. They must have been made within three years, and not exhibited at any former Fair of this Society. All other property must be entered in the name of the actual owner. Any violation of this rule will bar the violator from competing for any premium whatever, and render him and his exhibit liable to expulsion from the grounds.

27. In case special facilities for meritorious exhibits are required, such entries shall be made before October 1st. Any person may enter as many different articles as he or she may own, in any department.

28. The same article or animal can not compete for the premiums of two or more premium numbers, except when otherwise stated in the head-notes of the department in which it is exhibited.

29. All entries will be numbered and recorded in the books of the proper department and class, and corresponding tags will be issued, which must be attached to the exhibit before such can be placed on exhibition.

30. Contrary to the customs of most agricultural societies, the Society has decided that the names of all exhibitors shall be placed on the cards attached to the articles on exhibition, except in Department E, Department H, and Department I, as to do otherwise deprives the exhibitors of one of the main features of these exhibitions, viz.: advertising.

31. No person will be allowed to see the entries or have access to the entry-books until after the awards have been made.

32. All entries shall be for the first premium of the premium number

under which they are entered; but, failing to take the first, shall compete for the second, if a second is offered; and failing to take the second, shall compete for the third, if any; but shall not be awarded more than one premium under the same premium number.

33. Exhibitors must see to the proper delivery of articles and live stock on the grounds, and to the proper care of the latter, as no charges for transportation or drayage will be paid by the Society.

EXHIBITS.

34. The grounds will be in readiness for the reception of exhibits any time during Thursday, Friday and Saturday preceding the Fair, but no exhibits will be received Sunday, except live stock from a distance that may have been delayed in coming. Neither will exhibitors be permitted to make any arrangements on that day, except such as the Superintendent may deem necessary.

35. Articles and animals provided with the required entry-tags will be assigned places by Superintendents of Departments until Tuesday, October 17, at 12 o'clock m., after which no more will be received in departments where premiums are offered, except in classes where perishable goods are entered.

36. All animals must be exhibited in such places and at such times as the Superintendent in charge of such shall direct, in accordance with the official programme.

37. Any and all articles obnoxious or repulsive in their character shall be excluded from the grounds, or if entered without being fully known, shall be removed at once.

38. Ladies from a distance desiring to exhibit textile fabrics may ship their goods to the Secretary, but in no case will he or the Society be responsible for any loss, damage or breakage. Goods so shipped must be directed to the Secretary, "Main Gate, Fair Grounds," and must arrive not later than Monday, October 16th. *No package will be accepted unless freight is prepaid.*

Special notice is hereby given that none but textile goods and art work can be consigned to the Secretary for exhibition or competition.

39. Exhibitors will be required to keep their space and stalls in a cleanly condition, by removing therefrom any filth or litter, and place it in front of said space or stall, where the scavenger force of the Society may get to it with ease.

40. Should any person misrepresent his exhibit and a premium be awarded upon it, such premium may be withheld by the Executive Committee.

41. SPECIAL NOTICE.—Read carefully this rule as touching all exhibits: Exhibits not in place, and fully installed by 12 o'clock Tuesday, October 17, will receive no attention whatever from the Awarding Committees or Experts.

This is but just to both exhibitors and management—more so to exhibitors. The prime object of all exhibits is to show them to the public. Provision is made for, and exhibitors should have, five full days in which to do this. The management should fulfill its pledges to give four days' exhibition.

Exhibitors can have the use of halls and grounds for any reasonable number of days preceding opening day proper in which to place their exhibits. There is no good reason for delay. Hence it is repeated, this rule will be rigidly enforced "for the good of all concerned."

PREMIUMS.

42. A premium ribbon is a badge of merit, and in no case should it be attached to article or animal where meritorious qualities are lacking.

43. The premiums are designated by ribbons: blue meaning first, red second, and white third premium. These ribbons will be attached only by the Director of each Department, or his Superintendent, after Judges or Committees have made their awards and the same have been approved by the Director.

44. The Society deems its diploma or medal to possess value equal to cash premium of not less than ten dollars. The exhibitor entitled to a prize equal to that amount will be at liberty to commute a money premium for a diploma or medal, but not the award of a diploma or medal into a money premium.

45. Premiums are payable thirty days after the close of the Fair, and if not claimed by the first day of February, 1900, will be regarded as donated to the Society.

46. Medals and diplomas will be delivered at any time between November 1 and December 31, 1899.

INSTRUCTIONS TO SUPERINTENDENTS.

47. No Superintendent of Department will be permitted to employ help without written authority of the President or Secretary, and the Fair Association will not become responsible for the pay of help employed without such written authority. An order for all supplies must be obtained from the Secretary or Assistant Secretary.

48. Superintendents of Departments will be in attendance from 8 a. m. to 6 p. m., at their respective posts on the grounds, Monday, October 16 to Saturday, October 21, inclusive. They will have exhibits promptly placed, and departments must be in complete order by 12 m., Tuesday, October 17.

49. They will receive all property entered for exhibition and see that the tags are securely attached, and place and arrange such property in a suitable and attractive manner.

50. If erroneous entries are made they will make the necessary corrections, or cause such to be made in the official entry-books.

51. Superintendents will point out to the Judges of Award the articles or animals to be inspected, and cause the same to be displayed in their proper places and at the proper time.

52. They will see that order and decorum are observed in their departments, and that property is protected against damage and loss by accident or otherwise.

53. They will also see that no property is removed before the appointed time, and that the checks are detached from the tags of property when removed, as a means to prevent fraud or mistakes by such removal.

JUDGES.

54. The Society reserves the right to use either the single or three judge system, or both, during the Fair of 1899. Special care will be taken to secure the best and most competent judge or judges for the various departments that can be had.

55. The Judges of Awards, when ready for duty, shall be furnished by the Secretary with a list of all entries in their respective departments, and books in which their awards are to be recorded.

56. Should any of Judges previously selected fail to be present, the Director of each Department is authorized to select others to fill the vacancies, always endeavoring to select persons duly qualified by their pursuits or experience to make correct awards in each special department. In all cases the Judges, before awarding any premium, will be careful to see that the requirements of the Premium List have been strictly complied with by the exhibitor.

57. No person directly or indirectly interested will be allowed to serve as a Judge, and the Executive Committee will quash the awards in every case when a person interested has acted as Judge; nor shall a member of the Executive Committee act as Judge or umpire, under any circumstances.

58. Judges are specially instructed not to award premiums to any animal or article because of its presence. It must be individually worthy. It is not the policy of the Society to encourage indifferent productions of any kind, or to distribute premiums equally among exhibitors, and no premium should be awarded to any animal or article that does not possess high intrinsic merits.

59. When two subjects of the same kind presented for premiums are deemed by the Judges of equal merit, and also of such high degree that to either, if alone, the premium would be awarded, in such case the award must be to divide the first and second premiums equally between the two competitors; or, in case there shall have been no second premium offered, then divide the first only in like proportion.

60. The Director in charge and the Special Superintendent shall attend the Judges when making the examination in their respective departments, and furnish them with all required information. **Premiums will not be paid to parties having exhibits where it is proven that they accompanied the Judges when awarding the premiums.** The awards, when completed, shall be signed by the Judges, and also by the Director, who will take charge of the book and return it to the Secretary. As the awards are made, the Director or his Superintendent will attach the ribbon indicating the award.

61. Decisions of Judges shall be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Society, which may be filed with the Secretary before the premiums have been presented.

62. Reports must be signed by each Judge in his own hand.

63. **Judges cannot award premiums to articles not in the regular Premium List, but may make recommendations and file these with the Secretary, who will present them to the Executive Committee.**

GATE-KEEPERS AND POLICE.

64. Gate-keepers will be clothed with police authority, and required to preserve order at the gates. They must not receive money for admission under any circumstances.

65. All tickets—Life Members' tickets or other tickets—presented by persons not entitled to hold them, must be taken up, and those offering them required to purchase others before entering the grounds.

66. The Superintendent of Police shall have charge of the police force on the grounds (under control of the Secretary), and it shall be his duty, with the assistance of his aids, to preserve order.

67. The policemen shall be sworn in as conservators of the peace, and it shall be their duty to arrest any person creating any disorder or violating any of the rules of the Society or laws of the State.

68. The Superintendent of Police shall detail a suitable number of his force for night service, and any one employed, day or night, who shall neglect the particular duty assigned him or leave his beat without permission, shall forfeit all or part of his pay, as the Superintendent of Police may determine, and no bill for police service shall be audited except when presented and approved by the Superintendent of Police.

69. The policemen and gate-keepers will be promptly on the grounds at 8 a. m. each day of the Fair.

PRIVILEGES.

70. Application for privileges should be made early to the Secretary, in person or by letter, and a deposit will be required in every instance where a contract is made.

71. One ticket, good for one admission each day of the Fair, will be given for every ten dollars of privilege money paid.

CARE OF STOCK.

72. Straw for bedding will be furnished by the Society free of charge. Arrangements have been made with a responsible party to furnish hay, corn, oats and chop feed on the ground at market prices, in quantities to suit purchasers.

73. In order to accommodate exhibitors to the best advantage, applications for stalls should be made to the Secretary as early as possible. No charge is made for use of stables by animals regularly entered for competition.

74. Thursday will be the day of the parade, and all stock must come out in the parade or forfeit their premiums, except in cases where the stock is not able to come out, or too vicious, and that to be decided by the Superintendent in charge.

DEPARTMENT B—1.

HORSES.

W. P. BATCHELOR, DIRECTOR.

Unless the Judges deem the animal *individually worthy* they will withhold premiums.

Pedigrees for this section must be fully verified and filed for examination and approval with the Directors of this Department. Reference will be made to the English Stud Book, the American Turf Register, Wallace's or Bruce's Stud Book, or others of equal standing. Stallions or jacks only admitted to competition that have served ten mares during the season.

Exhibitors of horses will be required to test their animals under the direction of the Judge or Judges who may have charge of the class in which the entries are made. The Judge or Judges have full power to rule out of competition all who do not comply with their requirements.

Horses to compete for premiums must be sound, except in cases of stallions or mares injured by accidents which do not impair them for breeding purposes.

The age of horses and foals will be reckoned from January 1. All foals will be considered one year old on the first of January succeeding birth.

From 10 a. m. to 4 p. m. all stock must be uncovered, and an attendant there to answer all questions politely.

All stock must take part in the grand parade.

THE STANDARD

As Revised and Adopted by the American Trotting Register Association, May 19, 1891.

In order to define what constitutes a standard-bred horse, and to establish a breed of trotters and pacers on a more intelligent basis, the following rules are adopted to control admission to the records of pedigrees. When an animal meets the requirements of admission and is duly registered it shall be accepted as a standard-bred animal:

1. Any trotting stallion that has a record of two minutes and thirty seconds (2:30), or pacing stallion that has a record of two minutes and twenty-five seconds (2:25), or better, provided any of his get has a record of 2:35 trotting or 2:30 pacing, or better; or provided his sire or dam is already a standard animal.

2. Any mare or gelding that has a trotting record of 2:30, or pacing record of 2:25, or better.

3. Any horse that is the sire of two trotters with records of 2:30, or two pacers with records of 2:25, or one trotter with a record of 2:30, and one pacer with a record of 2:25, or better.

4. Any horse that is the sire of one trotter with a record of 2:30, or one pacer with a record of 2:25, or better, provided he has either of the following additional qualifications: (1) A trotting record of 2:35, or a pacing record of 2:30, or better.

- (2) Is the sire of two other animals with trotting records of 2:35, or pacing records of 2:30, or one trotter with a record of 2:35, and one pacer with a record of 2:30, or better. (3) Has a sire or a dam that is already a standard animal.

5. Any mare that has produced a trotter with a record of 2:30, or a pacer with a record of 2:25, or better.

6. The progeny of a standard horse when out of a standard mare.

7. The female progeny of a standard horse when out of a mare by a standard horse.

8. The female progeny of a standard horse when out of a mare whose dam is a standard mare.

SHEEP.

S. B. ALEXANDER, DIRECTOR.

Judges will not award premium unless the animal is fully meritorious.

Exhibitors are required to have their stock ready in the pens for the Judges by 10 o'clock a. m. the second day of the Fair. This rule will be strictly enforced. See that your entry tags are properly made out and securely placed in a conspicuous place on the pens.

RULES GOVERNING JUDGES.

Judges on sheep are expressly instructed that it is their duty, in every case, to require from each exhibitor in lots of pure breeds satisfactory evidence of purity of breeding, as claimed; and Judges, when awarding a premium in any such lots, will be understood to say by such award that (in their opinion) the animals receiving the premium are, beyond a reasonable doubt, purely bred as claimed.

They are further instructed that if they shall have good reason to believe that any exhibitor, by false entry or otherwise, attempts to deceive the Judges or the public, and obtain a premium by misrepresentation, they shall report the fact at once to the Superintendent of the Sheep Department, who shall immediately instruct the Judges that such exhibitor is henceforth excluded from competition at this Fair.

All ewes three years old and over shall have raised a lamb this season.

All sheep offered for competition must be accompanied with an affidavit to the effect that they have been shorn since April 1, 1899, and the date of shearing must be given.

Flocks and pens of sheep must be owned by one individual or previously existing firm.

Animals competing for the individual premiums may also compete for the flock premiums.

"GENTLEMEN:—After four years continued use of Pocahontas Guano for Tobacco, we feel no hesitancy in giving it our hearty endorsement. Our tobacco grows to a good size, and our land is left in a good condition for another year's work. Several of our neighbors who bought with us when we begun four years ago, still continue its use, despite the fact that lower priced goods are offered them. We can also recommend their Pocahontas in 100 lb. sacks for Plant Beds.

"To Whom it may Concern:

"I have used for years Pocahontas Guano Co.'s Fertilizers with entire satisfaction, and take pleasure in recommending them to tobacco growers. I am personally acquainted with the firm, and know them to be reliable, and that they manufacture Standard Goods.

DEPARTMENT C.

POULTRY, PIGEONS AND PET STOCK.

T. K. BRUNER, DIRECTOR.

NOTE.—*Please read carefully, as many changes have been made in this Department.*

RULE 1.—The American Revised Standard of Perfection will be the guide of the Judges in awarding premiums on the printed list.

RULE 2.—Unless there are two entries in each class of Cocks, Hens, Cockerels and Pullets, first premium money will be withheld, but first honor given. No specimen will be awarded a first prize that does not score 90 points. No premium awarded a specimen scoring less than 85 points.

RULE 3.—Competition is open only to North Carolina breeders, and all specimens exhibited must be the property of the exhibitor. Any attempt to evade this rule will exclude all specimens entered by offending party from competing.

RULE 4.—**Positively no fowls can be entered for competition after noon Tuesday, October 17th.**

RULE 5.—All specimens will this year be classified, each breed grouped. No deviations from this rule for any one.

RULE 6.—It is especially desired that entries shall embrace no less than five birds of any breed; for the new coops it is obligatory; any one or more of which may be entered for award. For instance, the entry may be for award on cocks, cockerel, hen or pullet, or for all of them.

The reason for this change is that the Agricultural Society has gone to the expense of putting in uniform wire coops, 3 x 3 feet each, and as these coops are large the requirement of not less than five birds to the pen will prevent an empty appearance of the pens and give visitors a better idea of the beauty of the fowls. There are also provided some extra large pens for those breeders who desire to show flocks of turkeys, geese, ducks or chickens, when such are shown of one breed and in lots of ten or more.

RULE 7.—For the benefit of beginners we append the recognized terms: Cock, a male specimen hatched prior to 1899; Cockerel, a male specimen hatched during 1899; Hen, a female specimen hatched prior to 1899; Pullet, a female specimen, hatched during 1899.

NOTES.

Exhibitors need not accompany their fowls. When addressed to Director Poultry Department, State Fair, Raleigh, N. C., with express or freight charges *prepaid*, they will receive proper attention and be returned to owners at close of Fair.

Attach numbered leg-bands to each fowl entered for competition, then the score cards which will be sent with each exhibit will be of service.

The Society will feed and coop free all specimens sent.

Make your entries very plain and send early to the Secretary. *Do not depend on the Director to make them for you after they arrive, for it will not be done. No entrance fee is charged.*

The Society will *not* be responsible for loss from any cause whatever, but best of care and attention will be given.

Potash.

FARMERS should know its value and its importance in a fertilizer to be applied to their grain crops.

Our illustrated books which tell what Potash is, how it should be used, and how much Potash a well-balanced fertilizer should contain, are sent *free* to all applicants. Send your address.

LIMESTONE COLLEGE

GAFFNEY,  SOUTH CAROLINA.

Founded
in 1845.

THIS institution, famous in the history of education in South Carolina, has recently been thoroughly reorganized, and now, with a large and able Faculty, is prepared to do college work of the very highest grade. Nearly \$20,000 have been appropriated for improvements. A splendid new building is being erected which will contain a large Auditorium, a Library, a Reading-Room, a Museum of Natural Science, a beautiful hall for the Literary Society, and some needed offices. The building will be furnished with new heating apparatus throughout, all the rooms will be supplied with new furniture, new pianos will be purchased, new physical, chemical and mineralogical laboratories will be equipped—in short, everything that is necessary in the work of a first-class Woman's College will be provided. The site is unequalled in South Carolina for beauty and for healthfulness. Limestone College makes its appeal to the people strictly on its own merits. Literary, Scientific and Commercial Courses. The regular college degrees are given by the authority of the State of South Carolina. An especially fine course in Pedagogy is offered to those desiring to become teachers. There are three Departments—the College, the Seminary and the Primary. Let Limestone's friends and former students tell the news all over the South.

The revered CAPT. H. P. GRIFFITH is the Senior Professor. Prof. Wade R. BROWN, recently of Winthrop College, is the new Professor of Music.

DEPARTMENT D.

HORTICULTURE, ETC.

O. W. BLACKNALL, DIRECTOR.

Read the rules carefully and comply strictly.

All entries in Fruit and Vegetable classes must be made by the growers, and all fruits must be of State growth. All entries in Manipulated Fruit and Vegetable classes must be by those who manipulated the same.

Entries in Tool and Package classes may be by manufacturer or retailer, and need not be of State manufacture. Entries in Nursery class open to State-grown plants only.

"Plates of fruit" means that the fruit is to be placed upon wooden plates, which will be furnished by the Secretary. Each plate is to contain six specimens, and no more. Each plate of fruit must be plainly and correctly named, and the entry tag attached to the same, so that the entry can be identified by the committee without difficulty. Plates entered for the single plate premiums are all to be arranged by themselves, and not mixed up with those entered for general collections. A premium offered for a general collection of fruit will not be awarded to a mere pile of apples or other fruit, but must be for a real collection, arranged on plates of six each and all correctly labelled, and no fruit will be counted in a collection unless it is a fair specimen of the variety. No trashy fruit of any kind will be counted merely to make up a collection. A premium for the best collection of grapes, peaches, or any other fruit, will not be awarded to a mere number, but to the quality of the exhibit mainly. Brandies and wines must be in sealed and neatly labelled bottles. The committee will withhold premiums in any case where there is no competition and the article is of inferior quality, and no second premium will be given solely because there is no other exhibit but the two, but all fruits must be of good quality. No attention will be paid by the committee to any fruit or other exhibit that is not arranged in accordance with these rules. The awards for fruits will be made on the afternoon of the second day of the Fair, and all not then in place will be left out. No exhibitor will be allowed to discuss exhibits with the committee, or to interfere in any way while the committee is at work. If the exhibits are not so arranged that the committee can find all without help, they will be left out in the award. To avoid all unnecessary walking to and fro on the part of the judges, the fruit exhibits must be arranged in consecutive space near together, and not scattered about the buildings. The same rule will apply to the exhibits of bottled liquors and canned goods.

In the exhibits of exotic plants in pots, the plants competing for each premium must be arranged by themselves, as the judges will not hunt among a mass of plants to find the ones competing for special premium, and no plants in the professional class will be awarded a premium, unless it is a well-grown specimen of its kind. The premium for the twelve best cut roses is held to mean twelve varieties, each in a separate bottle, with label attached giving the correct name of the variety. In the premium for the best and largest assortment of cut flowers, each variety must be shown in a separate bottle of water, or other vessel, to show them properly and keep them fresh, and no notice will be taken of collections loosely thrown on the tables. In the premiums for the best bouquet, basket and floral design, attention will be given as much, or more, to the tasteful arrangement than to the particular kinds of flowers used.

PREMIUM LIST.

61

In the nomenclature of fruits the names adopted by the American Pomological Society will rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited. A pile of fruit brought for sale merely, will not be allowed to count in a general collection of fruit, as all fruit shown for premiums must be arranged on plates, and remain on them till the close of the Fair.

Rev. (now Bishop) Joseph S. Key, wrote: "We gave your TEETHINA (Teething Powders) to our little grandchild with the happiest results. The effects were almost magical and certainly more satisfactory than from anything we ever used."

Prof. Chas. P. Curd, A. M., Washington University, St. Louis, Mo., says: "We unhesitatingly attribute the recovery and continued good health of our little boy to TEETHINA. Upon these Powders he seems to fatten and thrive."

INDIAN WEED gives Tone to and Builds up the Prostrated Nervous and Muscular Systems and makes Regular and Healthy all the Natural Functions of the Female Organism.

DR. MOFFETT'S TEETHINA TEETHING POWDERS

Aids Digestion, Regulates the Bowels and Makes Teething Easy. TEETHINA Relieves the Bowel Troubles of Children of Any Age and Costs Only 25 Cents. Ask Your Druggist for it.

St. Louis, Mo., *Post-Dispatch*, says: Indian women are proverbially healthy and strong, often marching for days with their babies upon their backs. In fact, they frequently go the day before and after confinement with their tribes upon the

march. These women acquire this great strength and power of endurance by using a weed that grows in their locality, out of which a medicine is now being made, and kept by the druggists, under the name **INDIAN WEED** (Female Medicine).

INDIAN WEED GIVES HEALTH and HAPPINESS to WOMEN

If not kept by your Druggist, mail \$1.00 for Indian Weed, or 25 cents for Teethina, freight prepaid, to

Our Banking-room has been enlarged and refurnished.

A New Vault

which is entirely fire-proof and burglar-proof, has been added, the doors controlled by combination, automatic and time locks built by the Miller Safe and Iron Works, of Baltimore, and superintended by Mr. J. M. Mossman, of New York, an expert in burglar proof work. In this vault we have placed

Safe Deposit Boxes

of the very latest design, the convenience of which can not be appreciated until they are seen, and all are invited to see them. The renter of the box has the key, and no one can gain access to the contents of the box without the presence of the renter, and if he should lose his key the finder could not gain access to the box, the contents of which can be known only to the renter. There is ample room in the boxes for the filing of deeds, valuable papers, wills, bonds, stocks, etc., and perfect security is obtained for very moderate cost.

Convenient and private rooms have been provided for the exclusive use of customers in the examination of papers, cutting coupons, etc.

We have an excellent vault, in addition to this fire-and-burglar proof vault, for the storage of boxes and packages.

Every one interested in beautiful workmanship and most delicate mechanism is cordially invited to inspect the new work.

Did you ever stop to think

What kind of an impression
your stationery will make on those
to whom you write
for the first time?
It's a fact that a shoddy letter head
will do you as much discredit
with a stranger as if you were to
call on him attired in a
shoddy suit of clothes.

What is true of stationery
is true of all other printing.

THE COUNTRY

Along the Line
of the

Southern Railway

OFFERS a wide variety of soil, climate and advantages for persons seeking homes in the South. We offer locations in Virginia, North and South Carolina, Georgia, Alabama, Mississippi, Tennessee and Kentucky.

ALONG THE LINE of the road the lands are especially adapted to truck-growing, the fruit and stock farms giving big results.

There are profitable investments to be made in timber and mineral lands, and in good cities and towns.

Cheap and contented labor, cheap fuel, water-powers, good transportation facilities, nearby and cheap raw material, give special advantages for textile mills, manufacturers of wood, etc.

The mountain resorts along the Southern Railway are most pleasant.

The country offers a greater variety of superior medicinal springs than any other section of country.
